

Council of European Municipalities and Regions
European Section of United Cities and Local Governments

Traineeships at CEMR in 2022

From January to June | From August to December

The **Council of European Municipalities and Regions** ([CEMR](#)) is the largest network of local and regional governments in Europe. Together with its 60 associations in over 40 countries, CEMR promotes the construction of a united and democratic Europe based on local self-government, respect for the principle of subsidiarity and citizen participation. To achieve this goal, it endeavours to shape the future of Europe by enhancing the local and regional contribution to the EU agenda by 1) seeking to influence European law and policy, and 2) promoting exchange of experience at local and regional levels and cooperating with partners in other parts of the world.

Our activities revolve around themes such as **citizenship, climate and environment, international partnerships, and territorial cohesion and development.**

Are you currently affiliated with a university?

Are you interested in EU issues?

Are you ready to learn a lot about European regions and municipalities?

Then CEMR is a good choice for you!

Opportunities in the CEMR team

- See your ideas and concepts come to life
- Get your work seen on the European stage
- Practice your skills in an international and creative work environment
- Gain work experience while adding a great reference to your CV
- Be part of a dynamic, friendly, and multicultural team
- Network and build community

CEMR is currently looking to recruit, for the following thematic teams:

- **4** interns for thematic policy teams for a minimum of 4 months during the period **January to June 2022** (dates to be agreed)
- **4** interns for thematic policy teams during the period **22nd August to December 2022**

Citizenship Team

The intern will support the Citizenship team, working on various themes such as gender equality and local democracy, town twinning, diversity, and inclusion, etc. In these thematic areas, s/he will support the work on communication, policy analysis, advocacy, exchange of good experience among local and regional governments and contribute to the [IncluCities](#) project.

Environment & Climate Team

The intern will support the Environment & Climate Team, working on various themes such as energy and climate transition, mobility, environment, circular economy, sustainable finances. S/he will support the work on communication and policy and contribute to the implementation of EU projects ([Covenant of Mayors](#), [Green City Accord](#), others).

International Partnerships Team

The intern will support the International Partnerships Team, working on policy and projects, such as [PLATFORMA](#) and [Bridges of Trust](#), related to international city-to-city cooperation. S/he will support policy work by following discussions in the relevant EP committees (AFET, DEVE), contribute to preparation of studies and publications, help organise international events, drafting short news and social media content, provide support at statutory meetings and meetings of thematic groups.

Territories Team

The intern will support the Territories Team, working on various themes including cohesion policy, urban territorial development, digitalisation, post-COVID-19 recovery, local and sustainable finances, EU governance or public services. S/he will support the work on communication, policy, and projects ([Reference Framework for Sustainable Cities](#)).

What we would like from you?

- A strong interest in and understanding of EU affairs and the proposed topics
- Good communication and drafting skills
- Motivated team player
- Very good command of English; French desirable; other languages a plus
- Efficient use of IT tools: MS Office (Outlook, Word; Excel, PowerPoint), Google suite, teleconferencing software (Zoom, WebEx, MS Teams)
- Knowledge of online graphic design tools (Canva, KapWing, etc.) is considered a plus
- Ability to effectively use social media
- Willingness to learn

Overview of tasks

As part of the thematic teams, you will:

Help prepare and organise meetings and events

- Assist in tasks related to communication and event preparation and delivery such as: expert groups, webinars, statutory or project meetings

Assist the team in its lobbying and communication activities

- Contribute to communication and social media activities of the team, media monitoring, support in media coverage of events, draft and translate articles.
- Monitor and follow legislative agenda on different topics; attend relevant Committee meetings of the European Parliament.
- Contribute to informing CEMR members through regular internal updates, policy briefs and timelines.

Assist the team in their external-funded activities

- Support project activities
- Helpdesk support, specific research, and analysis

Assist in drafting articles, reports, publications, studies, or good practices

- Produce reports following participation in meetings or events such as conferences, expert group meetings, communication exchanges, information seminars
 - Prepare polls and surveys to collect data and contribute to analysis
- 

Attend weekly team meetings and other meetings when relevant

The list of tasks is not exhaustive and can be adapted depending on the organisation's needs as well as the candidate's interests and experience.

Who will support you during your internship?

Each intern will be assigned a mentor who will orient and guide the intern's work in his/her thematic team.

Additional information

- The internship is unpaid. However, interns will receive daily meal vouchers and reimbursement for Brussels public transport monthly tickets (if you work at the office);
- The traineeship is based in Brussels, in a modern, well-situated office in the European Quarter. Interns are required to be in Brussels during the duration of their internship (subject to current Belgian rules and regulations).

How to apply?

Send your CV in English to the address internship@ccre-cemr.org. Please include a short cover letter, in English or French, describing why you are a great fit for the role. Please indicate your availability and university requirements as well as whether you are applying for a specific team.

Please note that only students enrolled in a University programme can apply for the position. **An internship agreement ("Convention de stage") is mandatory.**

Application deadlines

1st semester 2022 (January – June): **30 November 2021**

2nd semester 2022 (22 August – December): **30 April 2022**
