

Press release

Public Services Employers' Forum

20/03/2014

Partners of the Public Services Employers' Forum (PSEF) have addressed recommendations to policy-makers in a joint declaration prepared for the Tripartite Social Summit. This declaration tackled the question of "Re-building confidence in Europe: Focus on job creation – lessons learned and future orientations".

The declaration, which proposes recommendations to "re-build confidence in Europe", puts forward several suggestions structured around three key messages that addresses some of the key needs Europe is facing:

1. Invest in Human Capital
2. Boost Youth Employment
3. Achieve a Sound and Well-negotiated TTIP

The Public Services Employers' Forum is an informal forum of European employer organisations cooperating on matters of joint interest. Signatories to the declaration include: CEEP – European Centre of Employers and Enterprises providing Public Services, EURELECTRIC – Union of the Electricity Industry, HOSPEEM – European Hospital and Healthcare Employers' Association, EFEE – European Federation of Education Employers, CER – The Community of European Railway and Infrastructure Companies, CEMR – Council of European Municipalities and Regions, UITP – International Association of Public Transport.
