PROJECTS OVERVIEW

Theme: Sustainable Development Goals; Urban Development

Objectives: The RFSC supports over 2,300 users in more than 80 countries to design and implement integrated action plans for sustainable urban development. The self-assessment tool helps to localise and monitor progress towards the SDGs or the objectives of the European framework for sustainable cities, set in the Leipzig Charter. The tool is managed and promoted by CEMR with the support of the French government.

Period: November 2021 - November 2022

Duration: 1 year

Partners: CEMR; CEREMA; CSTB

Funding source(s): French Ministry for ecological transition

Budget: €60.000
